### Records Requested

Pursuant to the Wisconsin Open Records Law, Wis. Stat. §19.31 et seq., I am requesting an opportunity to inspect or obtain copies of public records, including any internal correspondence or any other written documentation, related to the August 5, 2021 meeting between representatives from the Friends of Blue Mound State Park and WDNR officials. In particular, I am requesting records of communications involving DNR Parks Director Steven Schmelzer and Recreational Partnerships Section Chief Missy Vanlanduyt from June 25, 2021 to present including the key words "Blue Mound," "Friends Group," "Friends," "Agreement," "termination," "meeting," "Bill Van Haren," "Willi Van Haren," "Karl Heil," "Gregory Wiegand," or "snowmobile." I am also requesting records of any communications involving DNR employees or officials during the same time period containing the terms above.

**\*Additional Facilities:** If your request involves more than one facility, attach a separate sheet.

**Reasonable Limit:** A request for a record should have a reasonable limit as to subject matter or length of time represented by the record. If DNR personnel are unable to determine what records are being requested or the request is overbroad, they may ask the requester to be more specific or to narrow their request. Requesters are responsible for determining which records from among those located are relevant to their specific needs.
